

## PROPOSED TEMPORARY CLOSURE OF THE COMMON, OKEFORD FITZPAINE

I have received an application from Wessex Water to close The Common, Okeford Fitzpaine from the junction with Garlands Lane to a point 200 metres to the north west of the property "Longacre, The Common" the road will be closed in both directions for an overall distance of approximately 990 metres. The closure has been requested to allow Wessex Water to replace a water main. These works are programmed to commence from 1st March 2021 until 12th March 2021.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 1st February 2021.
